

You are kindly invited to the following symposium

The functional diversity of extracellular vesicles

Speakers:

14h-14h45: Dr. Julie Gavard (University of Nantes, France):

Exploring the Impact of Extracellular Vesicles on the Endothelial Barrier

14h45-15h30: Dr. Mercedes Tkach (Institute Curie, Paris, France):

Functionalities of extracellular vesicles subtypes: from immune cells towards tumors

Host:

Prof. Dr. Ir. An Hendrix

When:

Tuesday June 26th, 2018

Where:

**Ghent University Hospital, Corneel Heymanslaan 10, 9000 Ghent
Room 5.17 (5B3), (entrance 46)**
